

## Cranium Contraptions

Build and explore crazy contraptions that really work your brain! Students will use LEGO<sup>®</sup> Bricks, axles, pulleys, gears, and motors to create fun and interactive models. Compete with friends in a rousing game of Battle Tops or Fooseball. Put your hand-eye coordination to the test with the Ping Pong Popper model. Experiment with the Mini Fig Mover to see how this model will send your mini fig for a ride. All this and more are waiting to be discovered as students learn and play with  
Cranium Contraptions!
